Disposal of Inorganic/Hazardous Toxic

1181. SHRI GHUFRAN AZAM: Will the Minister of URBAN DEVELOPMENT be pleased to refer to reply to Unstarred Question 2238 given in Rajya Sabha on 22nd December, 1999 and state:

(a) the total cost incurred by various Municipal Corporations on disposal of inorganic/hazardous toxic MSW per tonne during last three years in terms of cost of land, manpower, machines etc., state-wise and year-wise;

(b) whether Government would make a saving if part of such cost incurred is offiered as incentives to technologies, which can take total municipal solid waste without segregation; and

(c) if so, what steps Government propose to take in the matter?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI BANDARU DATTATREYA): (a) Reply to Rajya Sabha unstarred question No. 2238 on 22nd December, 1999 was given by the Ministry of Non-Conventional Energy Sources. Solid Waste Management being a State subject, information regarding total cost incurred by various Municipal Corporations on disposal of inorganic/hazardous toxic is not being monitored by the Ministry of Urban Development. However, the information collected by the Central Pollution Control Board from some of the Municipal Corporations about the expenditure incurred on disposal of solid waste, including hazardous waste, is given in the enclosed statement (*See* below).

(b) and (c) Since this is a State subject, this Ministry has not made any assessment of such cost. Any step in the matter would be required to be taken by State Governments/Urban Local Bodies.
